

# Flocculated suspensions: from microstructure to macroscopic behavior

A workshop organised by  
The Lafarge-École des Ponts ParisTech Chair  
“Materials Science for Sustainable Construction”

2012, June 28-29  
École des Ponts ParisTech (Champs sur Marne)

<http://navier.enpc.fr/Workshop-on-flocculated>

## Program

### Thursday 28 June

- 10:00 - Welcome coffee
- 10:30 - Opening talk: François de Larrard (Lafarge Centre de Recherche)
- 10:50 - Hélène Lombois (Lafarge Centre de Recherche)
- 11:40 - Jan Vermant (Katholieke Universiteit Leuven)
- 12:20 - Lunch
- 14:20 - Emmanuela Del Gado (ETH Zürich)
- 15:10 - Viktor Mechtcherine (Technische Universität Dresden)
- 16:00 - Coffee break
- 16:30 - Stéphane Rodts (Université Paris-Est, Navier)
- 17:20 - Robert Flatt (ETH Zürich)
- 18:30 - Cocktail

### Friday 29 June

- 09:00 - Fabrice Toussaint (Lafarge Centre de Recherche)
- 09:50 - Frédéric Pignon (Université de Grenoble)
- 10:40 - Coffee break
- 11:00 - Peter Schall (Amsterdam University)
- 11:50 - Akira Furukawa (University of Tokyo)
- 12:40 - Lunch
- 14:10 - Eric Furst (University of Delaware)
- 15:00 - Jean-Noël Roux (Université Paris-Est, Navier)
- 15:50 - Closing address: Henri van Damme (IFSTTAR).

Location: École des Ponts ParisTech, 6, 8 avenue Blaise Pascal, Champs sur Marne

Venue: RER A – Noisy-Champs station

Please note: The entire conference will take place in the Navier auditorium  
Coffee break and Thursday cocktail will be served in the Nadir room, close to the Navier auditorium.
